

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

NFAC No. 8531-81
31 December 1981

MEMORANDUM FOR: National Foreign Intelligence Board Representatives

FROM: : Hans Heymann, Jr.
National Intelligence Officer at Large

SUBJECT : Interagency Intelligence Memorandum: Yellow Rain

1. With the BW-CW working draft now in your hands, I would like to schedule an all day coordination meeting on this paper for Thursday, 7 January 1982, beginning at 1000 and running as long as will be needed to complete the review -- continuing on Friday if necessary. The reason for this marathon session is that we are under considerable time pressure from the policy side to complete this exercise. The meeting will be held in room 7-E-32, CIA Headquarters.

2. Please have your clearances passed to our security office and call your names into no later than NOON, Wednesday, 5 January 1982. Arrangements will be made at that time for you to receive badges to enter the building.
